

# From Cross Roads Mayor, Bob Gorton

I would like to take this opportunity to communicate with the residents, businesses and property owners of our Town.

We are diligently monitoring the impact of COVID-19 (Novel coronavirus) on our community.

The finance director and I have reviewed the Town's budget and we are preparing for probable shortfalls in our projected sales tax revenue. **Funding for Essential Public services (Police, Fire and EMS) are our priority. All discretionary expenditures are suspended.**

We continue to urge all residents and businesses to adhere to the guidelines established by the Denton County Judge and Governor of our State. The Town of Cross Roads is subject to the Declaration of Disaster issued by Governor Greg Abbott ( <https://gov.texas.gov/> ) and Denton County Judge Andy Eads ( <https://dentoncounty.gov/> ).

The safety of our citizens and employees is our number one priority. We appreciate your understanding and cooperation. We must work together to slow the spread of COVID-19.

At my direction, with the Town Administrator's input, Town hall and its related hours of operation have been modified and posted on our website ( <https://crossroadstx.gov/> ).

Sincerely,

Bob Gorton, Mayor of Cross Roads

Bob Gorton  
Mayor of Cross Roads
